

<b>LVK</b>	<b>80.</b>	<b>a10c</b>	<b>d</b>	<b>/ yy</b>
Series	Luminosity	Emergency Kit	Connector	Additional Features

### Luminosity

- 80 = 800 lm

### Emergency Kit (abc)

- Blank = No Kit
- a = Battery model
  - Z = 0°C to +50°C
  - K = -30°C to +50°C
- b = Emergency luminosity in % of nominal luminosity
  - 10 = 100%
- c = Emergency period control
  - 3 = 30 minutes
  - 6 = 60 minutes
  - 9 = 90 minutes

### Connector (d)

- 0 = 1 Cable entry for field wiring
- 00 = 2 Cable entries for field wiring
- W = 1 Wieland snap connectors
- WW = 2 Wieland snap connectors
- H = 1 Harting snap connector
- HH = 2 Harting snap connectors
